EDUCATION

D. Y. Patil Technical Campus, Talsande — Kolhapur, India
*B.Tech in Computer Science and Engineering – **72.81%*** — *2023 – 2027*

Balmohan College — Chopda, Maharashtra
*Higher Secondary Certificate (HSC) – **82.83%*** — *2023*

R.H.V. Vadhoda School — Vadhoda, Maharashtra
*Secondary School Certificate (SSC) – **87.80%*** — *2021*

TECHNICAL SKILLS

Languages: Java (Java 17), JavaScript (ES6+), C, C++, SQL, HTML5, CSS3
Frameworks & Web Technology: Spring Boot, React.js, Hibernate, RESTful APIs, Bootstrap 5, Flexbox
Databases & Backend Tools: MySQL, Postman API Testing, Spring Data JPA, Axios
Developer Tools: Git, GitHub, VS Code, Eclipse, Vercel, Railway Cloud
Core Concepts: Data Structures & Algorithms, Object-Oriented Programming (OOP), DBMS

EXPERIENCE

Authentic Technologies — Kolhapur, India
Web Developer Intern — *June 2026 – July 2026*

- Built and improved responsive web pages using **HTML5, CSS3, JavaScript (ES6), Bootstrap 5**, and **React.js**.
- Created multiple web projects including a registration form, landing page, e-commerce site, and personal portfolio with interlinked pages.
- Added client-side form validation using JavaScript to check user input and prevent wrong form submissions.
- Designed responsive layouts using Bootstrap 5 grid system and Flexbox to work smoothly on both desktop and mobile screens.

PROJECTS

TechRent Hub | Live Demo | GitHub | *React.js, Spring Boot, MySQL*

- Built an equipment rental web application with a live analytics dashboard to show active bookings, revenue, and available items.
- Created REST APIs using **Spring Boot**, **Spring Data JPA**, and **MySQL** database to manage customer data and inventory details.
- Added booking management features that track rental status and automatically make items available when a booking is canceled.
- Built search and category filters in **React.js**, and deployed the project using **Vercel** (Frontend) and **Railway Cloud** (Backend).

Personal Developer Portfolio

- Designed and built a responsive personal portfolio website to display projects, technical skills, and practical experience.
- Added smooth scrolling, navigation links, and clean UI elements using CSS, Flexbox, and Bootstrap cards.
- Added direct links to all web projects created during the internship.

CERTIFICATIONS & ACTIVITIES

Industrial Internship Certificate: Completed a 1-month hands-on web development internship at Authentic Technologies.
Problem Solving & Coding: Regularly practice Data Structures, Algorithms, and Object-Oriented Programming concepts.
