# PRASHANT PATIL

## Backend Developer

+901-123-7304 prasantpatil2005@gmail.com https://www.linkedin.com/in/prashant-patil-a4b9881b

## ABOUT ME

A passionate and detail-oriented Computer Science Engineering student specializing in backend development. Skilled in programming languages like C, C++, Java, JavaScript, Node.js, and Python, with experience in building real-world applications. Strong problem-solving skills, quick learning ability, and a drive to create efficient, scalable solutions. Currently seeking opportunities to apply technical knowledge in innovative projects and contribute to a dynamic team.

## EDUCATION

2022 – Present
Shivaji University

**Bachelor of Technology (B.Tech)**
Bachelor ofTechnology(B.Tech)inComputer Science Engineering
D Y Patil Technical Campus, Talsande, Kolhapur

2020 – 2021

**Secondary Education**
SecondarySchoolCertificate(SSC) – 87.80%
R H V Vadhoda School

2022 – 2023

**Higher Secondary Education**
Higher Secondary Certificate (HSC)– 82.83%
Balmohan College, Chopda

## EXPERIENCE

2025 - Present
AICTE Virtual Internship

**Full Stack Java Developer**
- Workedon real-time backendand frontend integration using Java technologies.
- Developed REST APIs and tested them with Postman.

2024 - 2025

Typing Speed Detector (C++) vResearch on Sorting Methods

Built a command-line tool to calculate typing speed with accuracy.

Analyzed and compared different sorting algorithms using predefined header files.

## SKILLS

- Backend Development (Node.js, Java, Python)
- Git & GitHub
- REST API Development
- Postman API Testing
- Problem-Solving & Debugging
